hour today President Charles S. Mellen to secure payments of dividends on preof the Northern Paritic company, was ferred stocks, and between \$2.000,000 and retiring all of the preferred stock to the made public by Professor Jacques Loch served with papers which enjoin the com-The injunction restrains the Northern from the earnings of the road wherewith Securities company. pany from retiring the preferred stock.

indebt discrete or creating any indebted pany are threatening to issue and sell cornies or flability for the purpose of raising irrents of indebtedness of debenture will be irreparably damaged and that he money with which to pay or retire the bonds amounting to \$75,090,000 of the proferred stock of the Northern Pacific Northern Pacific Railway company and injury or may part of it, either against railway company, or any part thereof, or out of the proceeds pay off the stockhold- the from using or appropriating any moneys ers of the preferred stock at par January or proceeds other than the ordinary or 1, 1902. surplus not carnings of the Northern Pa-cific allway company to the payment and retirement of the preferred stock of the erence or take precedence of the common tirement of the preferred stock as aforestock of suld company; also from placing said.
Its property, or any part thereof, or the management of it scalinary evetem or any able to obtain a copy of the resolutions part thereof, in the possession or under of the board of directors as to the issue the control, either directly or indirectly of an dsale of the certificates of indebtedony or otherwise with the Great stockholders, a copy of which circular is Northern railroad company, the Chicago, made a part of the bill. It is alleged in Burllogton & Quincy Railway company, the bill that no meeting of the shareholdor either of them for the purpose of caus- ers of the defendant company has been in the railway system owned and con- called to make the issue of the certifitrolled by the Northern Pacific Railway cates of indebtedness or debenture bonds company to be operated an connection that the board of directors it without same rules or by the same authority as the Northern Railroad | the company; that at the time of the issue Rallway company or either of shareholders, when the company reorgan-

notation recites briefly the history the Northern Parific system for shall the of the Northern Pacific milroad and the amount of the preferred stock to be in-division of its stock into common and pre-creased except after obtaining on each ferred. It is alleged that the only differ- instance a consent of the majority of the ce between the preferred stock and the holders of the whole amount of the prestock was entitled to the four per cent fixedest prior to anything being paid on the consent of the whole amount of the preferred stock, and the bill in this stock and the consent of the holders of the consent to above that the preferred stock was subject to be redired at any time within twenty years after the time of the company and the reorganization of the company and the constant is an able of the majority of common stock, to be voted to ascertain whether certificates are to be seeined by mortgage upon the property of the redirect of common salt upon the heart beat. Into whether secured by mortgage or not plus not extracted at indebtedness due and not otherwise; that in other respects the payable not start than 1965, with interest at four per cent, whether the common stock, to be voted to ascertain whether certificates are to be secured by mortgage or not plus net earnings of the company and not otherwise; that in other respects the payable not start than 1965, with interest at four per cent, whether the common stock, to be voted to ascertain whether certificates are to be secured by mortgage or not plus net earnings of the company and the Chicago, Burlington of the University of Chicago, Burlington of the University of the university of Chicago, Burlington of the University of Chicago, Burlingt rights of the proferred and common stock- at four per cent, whether the company holders were identical. The bill next re- mas any earnings or not out of which to cities the objection of the Great Northern pay and an indebtedness spon which judglines and alleges that the Northern Pa- company sold, the rights of the common onic company and the Great Northern are stockholders foreclosed, and that if the persited lines to the coast and that the common stockholders, or a portion of Chicago, Burlington & Quincy Pull and them take advantage of the option offers company has a parallel line from Montana them to take common stock for the cerage and that all such lines are com tificates of inlebtedness, the common perior lines for the business of the north- stock is generally increased without the

Northern Perine Railroad company during the basis summer and since the plaintiff became the owner of this stock, and without the state where it was incorporated.

The petition alleged that it is prepared to consider plans for opposing the proposed consolidation of the Northern Pacific, Great Northern pacific, Great Northern pacific, Great Northern pacific, Great Northern and Burlington railway systems. From the discussion at these meetings, however, it is considered probable that the the purpose of which to concentrate and company and has no prior right over the management and knowing that it avoid not be legally affected the directors of the litres companies, for the purpose of litres companies, for the concentrate and not a charge against the earnings of the plan of Governor Van Sant, of Minnescont, about 1 of other states who were present, and dend, a contravertible regarding interest that the litres companies for the plan of Governor Van Sant, of Minnescont, and the litres companies for the companies of the companies of the not a charge against the earnings of the plan of Governor Van Sant, of Minnescont, and the litres companies for the companies of the not a charge against the earnings of the plan of Governor Van Sant, of Minnescont, and the litres companies for the plan of Governor Van Sant, of Minnescont, and the litres companies for the companies of the not constant and the companies of the companies of the litres companies for the companies of the litres the three companies for the burpose of doing indicestly what they could not do directly counted to be organized the carried to a finish. What this plan ise, Governor Van Sant directly counted to be organized the carrings of the company at New Jersey companyin, with a capitalization of the carrings of the search and so carries of other exportations of other exportations of discount for the meetings when the training of the search and so carries of other exportations of the search and so carries of other exportations of the state of the carrings for one form which under its counter was unterlied to purchase and bold stucks. Talcalante, Chill, and with the nextly department it is though probable that the form worthing shall have taken action. The meetings were hald in Governor vanishing it is though probable that the support was whether the carrings for one form which under its counter was unterlied to purchase and bold stucks the late of the responsibility of the state of other exportations of discounter bonds or not the interest of the carried to the North-to-state of Chill, Argentiles and Covernor vanishing it is though probable that the factors of the state of the carrings for one form which weed it form to be paid whether the certificates of inthe variable of the carried to estate until the entering of the carrings for one

peting lines.

It is particularly argued in the bill implaints that the Northern Secu ies companies is a rullroad corporat

was organized for the express and sole purpose of uniting under its manag ment and control the defendant. Great Northern Railway company, the Chicago, Burilagton and Quincy Railway entrolled and operated by each of these rallway companies, respectively; and for to other purposes; and that the Northern Securities company was organized for the purpose of holding and controlling ili three of the corporations mentioned to the bill and their various systems of rallway, so that all competition between these companies may be stifled and pro vented, and that unjust and unequitable and exhorbitant rates for both freight and passenger traffic may be obtained by them. The bill further sets forth that it is the design and purpose of the Northern Pacific Rallway, the Great Northern Rallway company and the Chicago, Burlington and Quincy Railroad company to consolidate and merge in the Northern Securities company the complete and exclusive control of each and all of these railroad systems and that the proposed attempted retirement of the preferred stock of the Northern Pacific Railway company is solely for the purpose of enabling the Northern Pacific to turn over to the Northern Securities company a majority of the stock of the Northern Pacific company and that the proposed and attempted creation of an indebtedness of \$75,000.000 on the part of St. Paul, Dec. 32 - Just after the room; there is a fund of about \$2,000,000 set uside the Northern Pacific Railway company is solely for the purpose of paying off and

Pacific Railway company from laming or to pay the \$5,000,000 of the preferred stock resiling any cordificates of indebtedness at par, but that in order to retire such. Pacific Railway company proceeds to or debenture bonds or other evidence of preferred stock the directors of the com-

the company or the officers thereof.

The bill then prays for the writ of injunction as issued by Judge Elliott: The order issued recites the application

Commany, or any part thereof; and also notice that it would retire the whole of from creating any indebtedness or liability for the operating expenses of its railroad system and the indebtedness and its. "Now, therefore, you, the said Northroad system and the indebtedness and lia-builty now existing which would be a pref-cember 10, 1901, at 3 o'clock for the re-from issuing or selling any certificates of indebtedness or debenture bonds or other evidences of indebtedness, or from creating any indebtedness or Hability, the Northern Securities company or from ness or delenture bonds, but the gen-entering into any agreement or arrange-eral effect of the resolution, he alleges, is and still further mankind. from creating any indebtedness or liabilpower to issue such certificates and so is residon or under the control, either dior inductly, through the medium of the saits. bolders, directors, officers, agents, serv-
